STOCK EXCHANGE ACTIVITIES ARE SLIGHTLY BETTER

Severe Storm Isolates New York, Somewhat Interfering With Orders From Interior Points, It Is Said.

New York, Dec. 14.—The market drifted idly during the early part of today's session, business being somewhat curtailed by yesterday's storm, which interrupted communication with this center. In the afternoon, however, the list became more animated and strong.

Professional traders again contributed largely to the day's operations. London's offerings of Americans were in lesser volume.

Anglo-French bonds sold in the regular way at 85 1/2, a decline of 1/2 from the syndicate price. The sixty-day underwriting agreement expired with the close of today's market and hereafter the bonds can be offered without restriction of any kind.

Specialties were almost the sole features of interest during the forenoon, although United States Steel, Canadian Pacific and New York Central were higher by 1 to 2 points.

Coppers led the higher movement of the afternoon and Mercantile Marine, preferred, rose 7/8 to 74.

Other prominent features of the final hour when prices were at their best included Studebaker, Baldwin Locomotive and Texas company, the latter making an extreme gain of 1 1/2 to 22 1/2.

Exchange on Germany made a new low record, checks falling to 77 1/2. Sterling and francs were fairly steady.

Bonds were irregular on light trading. Total sales, par value, aggregated \$4,410,000.

United States bonds were unchanged on call.

CHICAGO BOARD OF TRADE.

Chicago, Dec. 14.—Heavy profit-taking by longs, who asserted that the government crop report tomorrow was likely to prove bearish, wiped out the greater part of a lively advance secured today in the wheat market here.

Corn sympathized to a limited extent with the wheat advance, but was kept easy by clear cold weather that favored husking and shipping.

Trade in oats was mainly of a local character. High prices on hogs lifted provisions. Packers did little or no selling. Commission houses and shorts were the chief buyers.

Closing prices: Wheat—Dec. \$1.16 1/2; May, \$1.17 1/4; Corn—Dec., 57 1/2; May, 57 1/2; Oats—No. 2, 42; May, 45.

KANSAS CITY BOARD OF TRADE.

Kansas City, Dec. 14.—Wheat—No. 2 hard, \$1.06 1/2; No. 2 red, \$1.13 1/2; No. 1, \$1.07 1/2; May, \$1.09 1/2, \$1.11.

Corn—No. 2 mixed, 42 1/2; No. 2 white, 45; Dec., 84 1/2; May, 87 1/2; Oats—No. 2 white, 42 1/2; No. 2 mixed, 39 1/2.
